

# ST FRANCIS OF ASSISI COMMUNITY NEWS UPDATE

**Term 2**

**Week 1**

**29th April 2016**

## ***Welcome to Term 2 – 2016***

I hope your family enjoyed the change of routine over the holiday break. The children certainly needed a rest after a hectic first term of learning.

This second term promises to be full of activity, rewarding learning and an exciting time lies ahead for the children as they engage in new units of work, be involved in community celebrations (e.g. Mother's Day), compete in the Athletics Carnival, Years 3 and 5 will be completing Naplan and more. We hope the quality of learning and the variety of experiences will ensure your child and our community are maximising the learning opportunities here at St Francis. Enjoy the Journey!

This Sunday we again look to the holy Gospel according to John ([John 14: 23-29](#)). This Scripture takes place just a few days before Jesus is put to death. The disciples are in a room with Jesus and telling him that they wouldn't know what to do if he left them.

This sounds a little unusual, doesn't it? Why would grown men be worried about Jesus not being with them anymore? I could understand if they were children, as they would have reason for being upset. Children need their adults: a parent or a grown up. But these disciples were the grownups!

Perhaps one of the things the disciples were worried about was that they might mess up! In the scriptures we can see that they didn't always understand what Jesus wanted. Like the time Jesus told them that children were important because they had the right trust in God, but then only a few days later the disciples tried to stop the children from coming to him, saying he (Jesus) was too busy to spend time with them. They acted as if the children were not at all important to Jesus, what were they thinking?

This was not the only time the disciples did not listen to Jesus, or thought they knew better. So why now were they worried about the prospect of being without Jesus? Maybe they were worried that without Jesus there would be no one to straighten them out if and when they 'messed up'.

I think that a concern they may have had was that without Jesus they may no longer feel close to God. With Jesus around, they always felt close to God. But without him they would feel alone. We saw how difficult it was for the disciples to do the right thing with Jesus around, how would they do it without Jesus? Would they not feel that God was with them?

Lucky for the disciples (and us!) Jesus said something that really got their attention! He told them they would not be alone after he was to leave them. Jesus told them that they would still have someone to teach, guide and help them. Who could this be? Jesus called it the "Holy Spirit". The Holy Spirit is another way we talk about God. The name Holy Spirit means God with us now. It is God that we feel in our hearts when we feel close to God—that's the Holy Spirit. It is God helping us to be brave when we want to stop a child from being mean to another child. That is the Holy Spirit.

Even though the disciples would no longer be able to see Jesus, they would have the Holy Spirit to teach them and help them. They would not be alone. The Holy Spirit is God with us now. The Holy Spirit was with the first disciples, and the Holy Spirit is with us. We are not alone and the church is not alone. God, the Holy Spirit, is with us!

## WINTER UNIFORM

Children should be in their **full winter uniform** by Monday 9th May. There is a new winter uniform available for purchase for the students who need a new winter uniform.

The new items include:

### FOR GIRLS

A new checked tunic, new tie and navy blue tights.

### FOR BOYS

A new long sleeved shirt with the school logo, a new tie and navy blue pants.

There is a new jacket to go with the winter uniform, but this won't be available until next term.

Just a reminder to parents that there is a two year change over period and it is not necessary to purchase the new uniforms if your old one is still in good condition.

## MOTHERS DAY CELEBRATIONS

Next Friday 6th May 2016, our mums, grandmothers and aunties are all welcome to visit the children at St Francis and share some of their day.

We start the day off with a Pancake Breakfast at 8:15 in the school hall. The pancakes will be cooked and prepared by St Francis staff.

At 9:15 you are invited to join us in the hall for a special Mothers' Day liturgy.

Following the liturgy the Parent Group will be selling Mothers' Day gifts in the hall. Students will be able to purchase something special for Mum for this Mothers' Day.

Gifts will be either \$3 or \$5 and it would be appreciated if children can have the correct amount as this avoids having to give change.

## FUNDRAISING RAFFLE

St Vincent De Paul has been given \$5000 worth of electronic equipment from Officeworks through Fr Vincy at Good Shepherd Church. After discussions between Fr Gerard and Fr Vincy, they have decided to raffle off these items to raise funds.

To make this a successful raffle they need our help and are asking if we could take some tickets and sell them.

Fr Gerard will be drawing the raffle at the Parish Expo on the 15th May.

## NAPLAN DATES

Our Years 3 and 5 students have three assessments coming up in Week 3 of the term (10/11/12<sup>th</sup> May). It is an opportunity to take a 'snapshot' of each student and we gain an enormous amount of data from these assessments. Keeping in mind that it is only one assessment over the year we try to minimise anxiety with the students by not overwhelming them with hype about testing.

## STAFF DEVELOPMENT DAY

Friday 3rd June 2016.

On this day staff will be working on developing their skills in multiplicative thinking,

## CONDOLENCES

Our prayers and condolences to the Kennedy family (Ben 10), on the passing of his grandfather. May he rest in peace.

## STAFF CAR PARKS

Just a reminder to families that the car parks behind the hall and outside the front office are for staff parking only as these spaces are limited.
